## OHIO RIVER POWER CO. TO SPEND \$600,000 HERE

### PRETTY LOCAL GIRL AND AVIATOR FIGURE IN AERIAL ROMANCE

**Following Two Weeks' Courtship,  
Daughter of Mrs. Louise Polk  
Becomes Bride of Former Army  
Flyer—Was First Passenger in  
Airplane Flight Here Early in  
October.**

An East Liverpool girl, it developed Monday, is the heroine of an airplane elopement.

As the culmination of a romance that started two weeks ago, Miss Gertrude Polk, daughter of Mrs. Louise Polk of the Thompson house, was married Friday afternoon to John O. Webster, a former captain in the U. S. aviation service.

Webster, who is giving flying exhibitions in Leetonia, came to this city in his plane and flew with his bride-elect to Youngstown where the ceremony was performed in the parlors of the Tod House. Rev. W. J. Kratz, pastor of the First Presbyterian church, of Youngstown, officiated.

### Bride Plane Passenger Here

Announcement of the aerial romance, which came as a complete surprise to the mother of the bride, was made when the newlyweds returned to the bride's home Sunday evening.

The courtship between Webster and his bride began, when Webster came to East Liverpool to give aerial exhibitions. Miss Polk was his first passenger in the flights here.

The bride is well known in this city. The bridegroom, recently discharged from the service, is the son of Mr. and Mrs. J. N. Webster of San Diego, Cal.

Mr. Webster will give exhibitions in this vicinity for several weeks, following which he and his bride will fly to Florida where they will spend the winter.

## BANK BANDITS ELUDE CORDON OF ARMED MEN

**Trio Who Robbed Beaver  
Falls Institution After Killing  
Director and Wounding  
Cashier, Believed Hiding In  
Pittsburgh.**

Successfully eluding a cordon of nearly 300 heavily armed Pennsylvania state constabulary, county authorities and ex-service men, the three bandits who robbed the State Deposit bank in Beaver Falls, Pa., killed a director, wounded the cashier and escaped with \$9,000 in currency Friday afternoon, were believed Monday to be safely hiding near Pittsburgh.

A one-armed man, said by police to be the master criminal who engineered the robbery, is being sought by

Pennsylvania authorities. A J. Bergman, Pittsburgh chauffeur, still in Beaver jail following his capture Saturday, is being closely guarded following a careful inquiry into his story by Beaver county police.

Beaver county police Monday were working on the clue that the three bandits after abandoning their machine on the Beaver-Ohioville road, had halted a Ford touring car, and forced the driver to take them to Pittsburgh. This story is strengthened by statements of persons residing in that vicinity who declare they saw a light touring car containing four men, one of whom was being covered with a revolver held by a man at his side.

County Detective W. O. Coulter returned to Beaver Sunday after running down the clue that three men had boarded a train here bound for Salineville. The three suspects were found to have been visiting in East Liverpool.

## BANK IS ROBBED; \$125,000 IS MISSING

CINCINNATI, Oct. 27.—The Bank of Alexandria, Ky., 13 miles south of Newport, and the Alexandria postoffice were visited some time Sunday night by cracksmen who secured Liberty bonds and other valuables believed to amount to \$125,000 to which they confined their operations exclusively. Stamps and cash taken from the postoffice total \$15000.

The robbers pried open the safety

boxes with a steel bar after dynamiting the lock of the door leading to the box department.

The robbers cut telephone wires to Newport before beginning their operations. Bank officials discovered the robbery when the bank was opened for business this morning.

No definite clue to the robbers has been secured as yet. Authorities of Cincinnati and Newport are scouring the immediate country for a clue.

### ALL PLANS FOR RECEPTION TO SERVICE MEN ARE COMPLETED

**Program for Homecoming  
Celebration in City on  
Hallowe'en.**

**PARADE AT 1 P. M.**

**Schools Will Be Dismissed;  
Many Features Are  
Carded.**

With the exception of a few minor details to be arranged at a meeting Monday night, everything is in readiness for the monster homecoming reception to be tendered East Liverpool's former service men Friday, October 31.

Here is a summary of the day's activities:

Military street parade, forming at 1 o'clock sharp at the corner of Fourth and Broadway and marching up Broadway to Sixth street, west on Sixth street to Jefferson, south on Jefferson street to Fifth street, east on Fifth street to Broadway and the reviewing stand.

The participating organizations will line up as follows: Chief of Police Hugh McDermott and platoon of four patrolmen in uniform, city officials, G. A. R. organizations, band, Spanish-American war veterans, band, World War Veterans, drum corps, Boy Scouts, band and Red Cross women in uniform, R. D. Van Fossen, post commander of General Lyon Post, No. 44, will be grand marshal and Charles Stephens, Lewis Gapehart, O. P. Andrews and J. Friedland, aides.

The pupils of both the public and parochial schools will be dismissed at 1 o'clock and will march to Fifth street where they will form a lane of honor through which the military parade will pass. Children enrolled in the downtown schools will report as usual for the afternoon session of school. Supt. F. P. Geiker stated Monday, and will later join ranks along Fifth street between the Elks' temple and the reviewing stand in Broadway. Pupils from the outlying schools will march to Fifth and Broadway where they will join the pupils of the downtown schools.

After the parade the world war veterans will pass down through the Court of Honor in Broadway to the reviewing stand where Civil War heroes will pin the city's bronze medals upon their coats.

At 3 o'clock city gridiron honors will be in a football game at West End park between the Veterans of Foreign Wars and the Grand football eleven. The five bands which participated in the parade will also participate in the game.

### YANKS' MOTHERS AND MERCY WORKERS TO MEET

Every East Liverpool woman who helped in Red Cross work during the world war and the mothers of ex-service men are invited to attend a meeting to be held at 7:30 o'clock Monday evening in Carnegie library.

Call for the meeting was issued by Mrs. Hervey McHenry, acting chairman of the Red Cross chapter. Plans will be laid Monday night for the part the local women will play in the city's yank reception Friday. At least 200 women in regulation Red Cross uniform are expected to march in the military pageant Friday afternoon.

### "HUMAN FLY" WILL CLIMB LITTLE BUILDING

Clarence O'Rourke, known as the "Human Fly," will give two performances of dare devil climbing, Tuesday afternoon and evening, when he will scale the wall of Little building in the Diamond. Upon reaching the roof of the building, O'Rourke will give the crowd a thrill by a series of sensational balancing stunts on the edge of the roof.

During an exhibition in Seattle, Wash., several months ago, O'Rourke climbed the outside wall of a 42-story building in one hour and ten minutes. O'Rourke's exhibitions will start at 2:30 and 7:30 p. m.

**"WE APPROACH CONFLICT WITH OPTIMISM,"  
SAYS LEADER OF UNITED MINE WORKERS**

John L. Lewis.

"We approach the conflict with great optimism," says John L. Lewis, president of the United Mine Workers, referring to the coal miners' strike, set for November 1. "Our cause is just, and we believe it will be regarded by the public, which believes in a square deal." The miners want a thirty-hour week in place of the forty-eight hour week as at present, and a sixty per cent increase in wages.

## WASHINGTON AWAITS MOVE BY COAL MINERS

### JOHNSON AMENDMENT TO TREATY DEFEATED

WASHINGTON, Oct. 27.—By a vote of 38 to 40, the Johnson amendment to the treaty of Versailles was defeated in the senate this afternoon. The Johnson amendment provided for the equalization of votes between the United States and Great Britain in the league of nations.

he close vote on the Johnson amendment was the result of the absence of a number of senators due to the senate being unprepared for the vote. A vote was not expected until the middle of this week.

## CRAIG HELD ON GRAVE CHARGE

**Former East Liverpool Man  
Arrested on Information  
Preferred by Daughter.**

Cecil Craig, former East Liverpool man, is being held under \$5,000 bond to await the action of the grand jury in Louisville, Ky., following his arraignment last week on a charge preferred by his 15-year-old daughter.

Craig was arrested in Louisville a few weeks ago where he had been living with his daughter. The girl had been living with an aunt in this county following the death of her mother. Her father came here a short time ago and took her with him to Louisville.

Charges of abuse filed against Craig by the girl were substantiated by Columbiana county authorities when he was arraigned in criminal court. His case will be considered by the grand jury November 14.

## 350 GUESTS AT ROOSEVELT DAY CELEBRATION

**Republicans Observe Birth-  
day Anniversary of Form-  
er President.**

### MURPHY IS SPEAKER

**Field Day Program Is Fea-  
tured at Buckeye Country  
Club.**

Despite unfavorable weather, approximately 350 Republicans from all sections of the county are attending the Roosevelt Memorial field day celebration at the Buckeye club grounds on the Y. & O. Monday.

Republicans began to arrive at the club grounds shortly after 10 o'clock Monday morning. The main guard from this city and Wellsville did not reach the scene until after 1 o'clock. Congressman B. Frank Murphy of Steubenville was to deliver the principal address of the day at 3 o'clock Monday afternoon. A big "feed" at 4 o'clock was another attraction of the affair. Music for the occasion was furnished by an orchestra from this city, while a male quartet augmented the musical program.

Another field day celebration for Columbiana county Republicans will be held within a few weeks in Salem, it was announced here Monday. Similar functions are to be staged in other parts of the county during the fall and winter.

### TO COMPLETE PLANS FOR BOXING TOURNEY

Arrangements for the boxing tournament to be staged Friday evening at 7 o'clock as a feature of the soldier reception will be completed at a conference of local boxers with chief of Police Hugh McDermott at 9:30 o'clock in the council chamber. ## PLAN TO BUILD TRANSFORMER SUB STATION IN SECOND ST.

**Site for Buildings Purchased  
from B. M. Louthan and  
W. T. Wilson.**

**TO BEGIN WORK SOON**

**Store Room, Garage and Living  
Quarters for Employees Proposed.**

A transformer sub-station and connected buildings to cost approximately \$600,000 will be erected by the Ohio River Power company on the corner of Second and Washington streets early in the spring, it was announced Monday by C. E. Torrey, head of the local office of the corporation.

The two lots formerly owned by B. M. Louthan and W. T. Wilson, adjoining each other on the corner of Second and Washington streets have been purchased by the Power company through the George H. Owen & Co., Real Estate office. In addition to the sub-station the proposed cluster of buildings will include a store room, indoor sub-station and living quarters for employees.

Ground will be broken at once for the construction of foundation work. Actual work on the erection of the building will begin early in the spring, Manager Torrey stated.

The new sub-station will be equipped with the latest improved apparatus for receiving current from the new power plant in Windsor, W. Va. The line for transmitting the power is now under construction and will be completed by the first of the year.

A smaller sub-station is now being erected in Wellsville. The two stations will eventually mean the dismantling of the power plant along the river road and the centralization of all current generation in the Windsor plant. With the completion of the two sub-stations a volume of 6,000 kilowatts of power will be available for use here, or nearly twice present requirements. A contract has just been made with the Pennsylvania railroad company to supply their shops in Wellsville with 1,200 kilowatts of power.

## Nora Bayes Couples "Jerry" with "In Miami"

The contrast between these two vivid songs on a single record gives Nora a chance to show her amazing versatility in character study. From an Irish brogue to a Southern drawl is a wide jump, but it's just a melodious skylark for Nora.

## CAR HITS AUTO AT BANK ST.

Five Persons Injured by Flying Glass Saturday Night.

Five persons were cut by flying glass and slightly bruised when an auto in which they were riding was struck by a Grandview car at the corner of Bank and Avondale streets shortly after 5:30 o'clock Saturday night.

The automobile, driven by James Winters of New Castle, Pa., formerly of this city, stalled on the car tracks just as the car was rounding the bend. Mr. and Mrs. Winters, their two children and a local man by the name of Burton, at whose home the Winters were visiting, were in the machine at the time.

All five were able to go to the office of Dr. W. N. Bailey, where their injuries were dressed. The rear wheel and fender of the automobile were demolished. The street car was placed out of commission by the impact and was taken to the car barns.

## RE-ROUTE CARS ON TWO LINES

Street Repair Work Causes Change in Trolley Routes.

Chester and River road cars of the Steubenville, East Liverpool and Beaver valley Traction company's local lines were re-routed Monday morning during repair work in Market street between Fourth and Fifth streets.

The Chester cars instead of completing the loop through the Diamond and down Market street are being operated to the traction terminal, Washington and Broadway, and back over the same tracks to Third street. River road cars continue out Third street to Market street and up Market to Fourth street, where they reverse the trolley for the return trip.

While the street is torn up for repaving, the traction company plans to lay new ties and rails in Market street between Fourth and Fifth streets.

The west bound track was thrown open for use in East Fifth street and Pennsylvania avenue Monday and cars over the main line are operated without transfer at Walnut street.

## ALL PLANS

Continued from Page One

Participants in the parade will furnish music for the contest.

At 7 p. m. a series of four four-round boxing bouts will be staged on a raised platform at the corner of Fourth street and Broadway. The bouts will be under supervision of Chief of Police Hugh McDermott.

At 7:30 o'clock a community masquerade street dance will be staged in a roped area extending along Fifth and Broadway from Fifth and Market to Fourth and Broadway. Three bands, one stationed in Fifth street and two in Broadway will furnish music for the street dance. A squad of 60 military police furnished by the American Legion will co-operate with the police to preserve order during the evening.

The committee on arrangements has secured prizes to be offered to the best costumed dancers inside the closed arena. The Male Chorus and possibly a string orchestra will furnish special music during the dance hours.

Booths manned by the mothers of soldiers and former Red Cross workers will be erected to furnish refreshments free of charge to ex-service men. Civilians will be served from these booths, the funds thus derived to be expended at the discretion of the Red Cross women.

A Pittsburgh decorating concern has been awarded the contract for the decoration and illumination of the downtown streets for the homecoming. A court of honor will be erected in Broadway—between Fourth and Fifth streets to be brilliantly illuminated for the night celebration. Pillars will also be strung along Fifth street from which large electric lights will be suspended.

The Masonic temple porch, in Broadway, will be reserved for the use of mothers of former service men. An unobstructed view of the reviewing stand and street dance can be obtained from the porch.

A meeting of the general committee on arrangements will be held at 7:30 o'clock Monday night in Chamber of Commerce rooms to complete arrangements for the celebration.

## DEATH ROLL

Following a three weeks' illness, Thomas J. Richardson, aged 73, died at noon Sunday at the home of his son, A. U. Richardson, 232 West Fifth street.

Deceased was born in West Middleton township April 29, 1846. He was a member of the G. A. R. serving with the 26th Light Artillery, Ohio Volunteers. His son and one daughter, Mrs. J. M. McLean, New Galilee, survive.

Funeral services will be conducted Monday evening at 7:30 o'clock from the residence of his son, Rev. J. J. Wyeth, pastor of the First Methodist Episcopal church, officiating. Interment will be made Tuesday morning in Archer cemetery, near Negley.

## WILSON TO ACT ON PROHIBITION BILL

WASHINGTON, Oct. 27.—The prohibition enforcement act will be before President Wilson for his action today or tomorrow, it was stated at the White House today. Without the president's signature the bill would become effective at midnight tomorrow.

## WASHINGTON AWAITS

Continued from Page One

President's statement on the coal situation, and there is every indication that there is wide support for his action.

The administration does not intend to crush the miners or their demands, it was stated at the White House today and the president's statement was intended to indicate and disposition on the part of the government in opposition to the miners' demands. It was declared that the statement was merely to indicate that the government does not approve of the methods to enforce their demands.

There has been no direct communication between the white house and the miners. It is understood that Secretary of Labor Wilson has been in communication with John L. Lewis, acting president of the United Mine Workers of America.

Secretary Wilson stated today that he had no response from Lewis concerning the president's statement and that the situation was unchanged.

Bituminous coal production during the week ending October 18 is estimated at 11,784,000 net tons, the geological survey announced today. This is a decrease of 97,000 tons from the week preceding. "The week's production stands as the second highest of the present season and higher by 268,000 tons than that of the corresponding week of 1918," the report stated.

"The good record for the week is attributable to the joint efforts of labor, the operators and the railroads, working to make the most of the brief time remaining before the threatened strike. Demand was everywhere active. A decline in the number of cars loaded with coal—212,973 compared with 217,175—was largely offset by the decided recovery in the coke market. Stiffening demand from the steel industry resulted in a 25 per cent increase in the production of bessemer coke, an increase of 120,000 tons, measured in terms of equivalent coal."

SPRINGFIELD, Ill., Oct. 27.—John L. Lewis, acting president of the United Mine Workers of America, here for a day before going to Indianapolis for a meeting of the miners' executive council, today declined to discuss the statement of President Wilson that the soft coal miners strike, called for November 1, is "unjustifiable and unlawful."

## MILL STRIKE CALLED HERE

### Union of Workers Is Formed at Meeting Saturday Afternoon.

At a meeting of employees of the Wellsville plant of the American Sheet and Tin Plate Saturday afternoon in the Trades and Labor hall in East Liverpool, an organization of the Amalgamated Association of Steel, Iron and Sheet Workers was effected. Following the organization, a strike was formerly declared against the Wellsville mill by the officials of the organization, to go into effect Sunday night at midnight.

John Moran, an organizer of the iron and steel workers, stated Monday that twenty-five employees of the Wellsville mill had joined the organization and had responded to the strike call. The following officers of the union were chosen at Saturday's meeting: President J. B. Roberts; P. M. Howell, vice president; A. J. Williamson, recording secretary; S. F. McCoy, treasurer; Warren Jones, financial secretary; D. H. Jones, journal agent; J. W. Lewis, guide; Ed Mullen, inside guard; F. W. Scott, outside guard; D. H. Jones, corresponding representative.

At a mass meeting of iron and steel workers from Wellsville, Midland and Chester, held Sunday afternoon in East Liverpool Trades and Labor council hall, James P. Duffy, of East Liverpool and William Coates of Mart's Ferry, made addresses.

Officials at the American Sheet and Tin Plate plant here Monday stated that the mill was operating in full.

## HIGH GRIDDERS FORFEIT GAME

As a result of alleged unfair treatment at the hands of officials who were in charge of the Lisbon-Wellsville high school game at the county seat Saturday afternoon, Coach Van Tilburg forfeited the contest to the Lisbon squad, after playing a half a game. The score, by forfeit, was 1-0.

It is alleged that Referee Steele of Lisbon was partial to the county seat team. The first period of the game and a great part of the second quarter were played before Coach Van Tilburg decided to take his team home.

Numerous penalties inflicted on the local team, it is said, which were undeserved, were the cause of the trouble. In the first quarter the locals, through superior football, carried the ball across the Lisbon goal line. The touchdown was not allowed by Referee Steele, who claimed a Wellsville player had held an opponent. Wellsville made no protest and the ball was brought back to the point from which it had started. Shortly afterward the locals punted and a Lisbon player, catching the pigskin, stepped back of his own goal line, thereby giving the orange and black a touchdown, good for two points. Umpire Kelley was forced to delay the game, it is said, for several minutes while he demonstrated to the Lisbon officials that the touchdown was legal.

Numerous penalties for alleged holding and offside plays, it is claimed, were inflicted by Referee Steele and not a single penalty was given the Lisbon team. Umpire Kelley was forced to hold up the game at two different times afterwards in an effort to prove to Steele points upon which the county seaters should be penalized.

When Steele attempted to penalize the orange and black half the distance to the goal lines in the second period, when he charged that Zurbach was slugging, Coach Van Tilburg decided it would be useless to play at the contest and took his squad from the field.

Several members of the local team were roughly treated following the game. Girls were also knocked down, it is said, by the Lisbonites.

It required the protection of Deputy Sheriff Harlan Crawford and two Lisbon policemen to give the Wellsville delegation protection from rocks and other projectiles on the way to the traction station following the game.

To Explain State Issue. At a special meeting to be held Monday evening at the grange hall at Yellow Creek, the proposed classification of property for taxation purposes will be discussed. A number of good speakers have been secured for the affair.

## ANTLERS WIN OPENING GAME

The Wellsville Antlers football team opened its home season at Central park Saturday afternoon, defeating the Tanks, of Follansbee, W. Va., 27 to 6.

Wellsville scored in the first quarter when Ted Young blocked a kick near the Follansbee goal line, gathered up the pigskin and rushed across the goal line for a touchdown. Goal was kicked. Follansbee, in the following period, worked a well executed forward pass, which netted a 30-yard gain and a touchdown. They failed to kick goal. In the same period, on the following kick-off Ferguson booted the ball across the Follansbee goal line and it was ruled by officials as a touchdown for the Antlers. Dornick scored in the third period. The Antlers worked the ball to the Follansbee five-yard line and an off-tackle play with Dornick carrying the ball, made the score.

Another touchdown was recorded in the final quarter, making the score 27-6. The field was wet and muddy making the ball slippery and hard to handle. Tope Young was the outstanding star of the game.

SCENE FROM "THE HUSHED HOUR" AT THE AMERICAN THEATER TODAY AND TOMORROW.

## COL. MORGAN HERE MONDAY

East Liverpool ex-service men have been given a special invitation to hear Colonel Dan Morgan Smith, famous soldier-organizer, who speaks in the interest of the dry cause in the auditorium of the First Methodist Episcopal church Monday evening at 8 o'clock.

Colonel Smith, who was commander in France of the "Battalion of Death", officially known as First battalion, 35th infantry, 90th division, A. E. F., is touring Ohio under auspices of the Anti-Saloon League of America. Before entering the military service, Col. Smith was a lecturer of national reputation, having two or three times toured America from coast to coast.

Colonel Smith will speak on the subject, "The World's War and the Fields of France". He will appear on the platform in full uniform. His address will be devoted largely to relating experiences and scenes in war-devastated France.

Rev. Charles Shelton of Pittsburgh, Pa., will close East Liverpool's pro-temperance dry campaign when he appears in the First Methodist Episcopal church Friday evening, October 31st. Dr. Shelton will make six dry addresses in Columbiana county in two days, October 30-31.

## AT the Theatres

### BESSIE EYTON IN CERAMIC PHOTOPLAY

That stage training is not particularly essential in becoming a motion picture actress is demonstrated in the dainty person of Miss Bessie Eyton, starring in "The City of Purple Dreams" at the Ceramic Monday.

Miss Eyton is one of the few noteworthy stars who have leaped directly from lay life to screen fame. Her acting, especially in this last of her vehicles, has been pronounced by critics as possessed of the rare quality of "getting over instantaneously".

It was by chance that she chose motion picture acting as her career. She happened to visit the Selig studios in California. Her type was striking and attracted a director's attention. He offered her a small part in a picture. That was the beginning.

"I'm a red-head," is the plain, everyday statement she makes when film admirers write for information concerning the color of her beautiful tresses.

### BLANCHE SWEET IN FILM AT AMERICAN

Harry Garson's second Blanche Sweet production, "The Hushed Hour" seems to have gone over almost as big as "The Unpardonable Sin," which that producer brought out recently and which has created such a furor throughout the country.

"The Hushed Hour" has one of the most unusual casts ever seen in a motion picture and includes Blanche Sweet, Wilfred Lucas, Milton Sills, Mary Anderson, Rosemary Thoby, Harry Northrup, Edward M. Kimball,

Lydia Knott, Gloria Hope, Wyndham Standing, L. T. Steers and Master Bennie Carpenter.

The production will be seen at the American theatre two days, beginning Monday.

### "FIRES OF FAITH" IS BOOKING AT STRAND

Catherine Calvert, the well known screen star and actress of the legitimate stage, who plays a leading part in "Fires of Faith," the great Paramount picture which will be shown at the Strand theatre Monday, Tuesday and Wednesday, is one of the most beautiful women of the stage. Miss Calvert, after signing her contract, left New York City for Hollywood, Calif., where the film was started under the direction of Edward Jose, the noted French producer, and later returned to New York, where the final scenes were staged.

Miss Calvert, after a successful stage career, has been widely exploited as a screen star. In the silent she has been starred in Keeney productions with great individual success. Among the pictures in which she was most favorably received are "The Romance of the Underworld," "Out of the Night," "Marriage," "Her Family's Honor" and "Uphill Paths."

### GUY EMPEY STARS IN DIAMOND FILM

A picture that will strike home—a human, stirring, thrilling story of the life of the average American workman and his family—can be seen Monday, Tuesday and Wednesday at the Diamond theatre. "The Undercurrent," a Select Pictures' special attraction, starring Guy Empey, is the kind of a picture that is appreciated because it is understood. The emotions of the man who returns from

## BAD BOYS AND BAD GIRLS.

"Allowance for the year for the Boys' Farm connected with the Juvenile Court, \$76,000; number of inmates, 100.

"Allowance for the Girls' Farm for the same period, \$4,500; number of inmates 40.

These were the figures given by the woman at the head of a Girls' Farm, when she was making an appeal to the civic authorities for a larger appropriation.

Undoubtedly a careful investigation would show that most communities are making a like unfair and unwise distinction in their provision for delinquent youth, spending large sums to reclaim the erring boy and teach him useful trades, but making such scanty financial provision for the girls that it is impossible that they can be properly clothed or fed, or that responsible people can be employed to teach them and lead them back to good citizenship.

This neglect of the girl delinquent is bad economy, for every one of these girls who turns back into the social stream unreformed, and unlearned in any decent method for making a livelihood, discounts the work which has been accomplished among the boys. The influence of the lawless woman cannot be overlooked. Moreover, it is most unfair; for society expects more and grants less, always, in feminine morals than in masculine, and even very youthful female offenders often are a prey to defiant discouragement, knowing the bitter judgment of the world against the erring woman.

The work among the boys, started in the juvenile court and carried out in the corrective institutions, is vital and noble; the work among the girls is just as vital, but unfortunately in most communities has not received the attention nor the financing which common justice and public safety should indicate.

## A SCIENTIFIC CALENDAR.

A national organization is urging a new calendar called the "Liberty Calendar." It would have 13 months, and it isn't so crazy as it sounds.

Those months would be based on the moon more exactly than our present system. Every month would have precisely four weeks, or 28 days. There are obvious advantages in that. No more having to learn such a riddle as "Thirty days hath September, April, June and November." No more having to consult the calendar, even, for ordinary purposes. Every month, like every week, would begin with Monday and with Sunday.

What of the odd days? Thirteen months of 28 days each would amount to 364. New Year Day would be regarded as the 365th. It would not belong to any month, but would be a sort of chronological vacuum separating one year from another. Similarly the extra day occurring every year would be a holiday, not reckoned on the calendar, but merely interpolated between two months. The 13th month would be called "Liberty," giving its name to the new calendar.

It sounds rather odd at first, this "January, February, Liberty, March" business, but it may come easy in time. However, judging from experience with the decimal system as a national substitute for our chaotic mess of weights and measures, it will take a long, long time to get the nation to assimilate a scientific calendar. People don't want to be rational and scientific. They want to keep on doing things in the same clumsy, messy way they've always done them.

## TAMING TEXAS RANGERS.

Alas for the picturesque! The war paint, beads and feathers of the American Red Man are banished now except on fete days. The cowboys of the western plains have ceased to be the creatures of fantastic charm which our story books knew of old. And now the Texas ranger must civilize himself in the same way.

For long the uniform of this officer of the law has been very gorgeous indeed. A cold and unromantic attorney-general is changing all this. Citizens of the Lone Star state complained to the governor, to the legislature and to the attorney-general of the state about the rangers. They said the latter did not dress in the approved fashions of the civilized year 1919. The ruling now is against the red shirt, the five-gallon hat, high boots, four-pound six-shooter and clinking spurs. Guns must not be displayed except on duty. Civilian clothes must be worn.

It is probably a wise ruling. Sanity in dress is greatly needed in this age, and if the Texas rangers set the rest of the country a good example in this regard, who knows but some real reforms may be achieved?

## ONE-WAY STREETS.

In a letter to his newspaper, a citizen suggests one-way streets for down-town traffic, the unused side of the streets to be left for parking automobiles. The idea is at least worth considering.

There is hardly a town of any size left in the country where the automobile has not made the traffic and parking situation a serious one. The suggestion of the one-way street, already adopted in many cities, seems to be one of the simplest ways of solving the difficulty.

Using the less congested streets in this way leaves the main thoroughfare open for continuous use, with no obstacles imposed to delay the delivery of goods or the transient stopping or temporary parking of a car for important business.

The one-way street is also one of the best devices for preventing accident. It does not seem to work hardship on anybody.

One of the many interesting evidences of the burdensome cost of living is that there is not an automobile factory in the United States that can keep up with the demand for cars.

Under the new income tax law in New York state, poker winnings must be included in the tax returns. Will they have revenue inspectors at the penny ante games?

Wilson is worn out. House is worn out. Gompers is worn out. These are war casualties, too; and when will the list end?

## NEW YORK LETTER

By O. O. McINTYRE.

NEW YORK, Oct. 27.—There are some rare characters among the elevator men of Gotham. I know one who will still laugh when a passenger tells him he has his "ups and downs." Of course in the smart hotels like the Ritz, St. Regis and Plaza they wear gold braided plum colored suits and jaunty little caps with straps going under the chin—and they have table reservations at the gilt cafes at night.

But in those houses where the elevator goes up by hand there are some elevator men worth cultivating. Because the car moves slowly they feel they must contribute conversation to while away the tedium. Generally they talk about the weather. I never knew any class of men so partisan about weather as elevator men.

He can go six floors on a thunderstorm and clear to the roof on a cold snap. He feels strongly on the subject. The other night I talked to one after arousing him from a comfortable pipe down the hall. Upstairs some young folks were jazzing. A photograph was synecopating wildly.

I asked him if he ever saw a shimmy dance. He had not. I thought it would please him to be critical of it and I grew caustic. When we reached the floor I wanted, he threw back the door, leaned against the wall and said: "Well, I dunno. They used to talk that way about the waltz when I was a boy."

Down in a musty old publisher's office there is another veteran hand-over-hand elevator man who has talked to Kipling, Conan Doyle, William de Morgan and all of the newer crop of writers.

The other day Haywood Brown and another writer were in the elevator talking about the French craze for our national game of baseball. Mr. Brown remarked that the French equivalent for strike was "Un coup ou une prise."

Then he reached his floor. Called out the veteran elevator man: "It must be a great temptation to the French umpire behind the bat to call everything 'balles.' Then there was a cackle and a closing of the door. In a little while overhead was a hand-book on French.

The sonnets which the Elizabethans used to write to ladies' eyebrows were drab compared to the Palace theater's press agent blarney about a new shimmy dancer. Here is about all any one reader can stand extracted verbatim:

"She is young, prettily upholstered in the style called 'velvete,' very blonde and hypermagnetic of personality. Her shoulders are the kind that Swinburne visioned for Faustine in their white shapeliness.

"She makes her shoulders gesture with the physical volubility of a Neapolitan making love. Tiffy have the subtle suggestion of a sophisticated wink and the imperious urge of a queen's beckoning of command. They hesitate, retreat, quiver, sink into lethargy only to fire up into the wildest abandon."

Fair enough, say we.

When the wild rumors circulated on Broadway as to a presidential proclamation (fitting the war-time prohibition ban the other week, it was just like the first false armistice rumor). People were beginning to celebrate and a few parades were formed. And then came the news it was a false rumor.

Some of the best newspaper reporters of Park Row, Harold Square and Times Square—men who had figured in the great pie panic of 1917 and at other times in the butter cake strikes of Broadway—were sent on the job. They soon nailed the lie.

No sooner had they reached their office than a report went out that all the Child's restaurants were going to take a five-cent charge for service on each patron. This means a lot to Broadway. But it proved to be only a rumor. It was a day of rumors.

"Bob is always talking about the delicious pies and cakes his mother makes," Jean Winston confided to her mother, at the same time giving an admiring glance at the beautiful solitaire which adorned her third finger. "You see," she continued, "he wants me to know that I will have to be quite proficient in the culinary art to compete with her."

Mrs. Winston smiled at her daughter's simplicity. "Well, why don't you show him what you can do, Jean?" she replied. "He doesn't know that you have been taking a course in domestic science and are already quite proficient. Why not surprise him?"

"That's a perfectly splendid idea, mum," Jean exclaimed. "Bob is coming to dinner tonight and I'll make the most elaborate cake imaginable. It will surely rival anything which Mrs. Rogers ever made."

So donning the largest apron available, Jean set about her task. True to her desire, the cake was indeed an elaborate affair, for every known ingredient necessary to the making of a perfect cake was used by Jean. "There," she exclaimed, as she admiringly put the finishing touches to the dainty pink and white frosting, "if that doesn't beat Bob's mother's cakes than I'm greatly mistaken." She was quite beside herself, for the cake was a grand success and one of which any girl might well be proud. She could picture Bob munching a piece of the toothsome dainty. "Won't he be surprised and delighted," she thought. So the cake was put away for safe keeping and Jean proceeded to busy herself about the house.

The day passed very quickly and, glancing at the clock, she realized that she had just about an hour in which to dress for dinner. Donning her favorite blue frock, she was about to proceed, down stairs when suddenly she became aware of the fact that something was missing. "Oh, my ring! Where could I have put it?" she exclaimed. After a very careful search of her favorite hiding places she failed to find any trace of the lost treasure. Soon she had the whole household transformed into a searching party, but all without avail. The ring could not be found.

"Oh, what shall I do?" bemoaned Jean. "I can never tell Bob I have lost it; he would think it so careless of me. I'm sure I had it this morning," she continued. "But in my foolish pride and excitement over that horrid cake I lost it. I just hate the old cake now!"

All, of course, were in sympathy with her; but when one has lost her treasured engagement ring it is hard to be consoled.

In due course of time Bob arrived, and to all outward appearances Jean was immensely happy. "What if he should miss it from my finger," she soliloquized. The thought caused her some concern, but she quietly dismissed it, hoping against hope that such a thing would not come to pass.

The dinner progressed very favorably, and finally the cake was brought forth. Bob was greatly impressed with its tempting appearance, and Jean promptly explained that she had made it especially for him and expressed the hope that he would like it. He was, of course, anxious to sample Jean's cooking and a very generous portion was served him.

Jean was quite elated, and was waiting anxiously for the words of praise which she knew she was sure to receive. Great was her surprise, however, as she glanced up at Bob to see a distressed look on his face. "Why, what's the trouble? Is there anything the matter with the cake?" Jean anxiously inquired. All eyes were immediately on Bob.

"Oh, no, not at all," he assured her. "Only I struck something rather hard," and presently he drew forth a portion of the cake in which was imbedded nothing less than Jean's cherished ring. Poor Bob; he looked both mystified and embarrassed. But Jean at once cleared up the situation. "Oh, my precious ring!" she rapturously exclaimed. "Why, how did it ever get into that cake?" Instantly she remembered removing it from her finger before commencing to bake the cake, and concluded that in some mysterious way it must have dropped into the mixture.

Great mirth followed and Jean joined the merriment, as she realized her terrible blunder, despite her efforts to display her talents in the all-important line.

"But it wasn't such a bad cake after all, was it, Bob?" she fondly inquired, after the merriment had subsided. "Well, I should say not," he replied; "It was a perfect jewel of a cake, but," he continued, "I'm afraid you will have to find a more economical recipe before we are married, because my salary would never warrant diamond flavored cakes."

GETS 28 EGGS A DAY  
NOW, FROM 34 HENS

Chas. C. White, Well-Known Breeder,  
Tells How. Costs Nothing to Try.

"I gave Don Sung to 34 utility Buff Orpingtons and the egg yield increased from 7 to 28 a day. Don Sung is a wonder and I am now giving it to all my hens regularly."—Chas. C. White, Manager Cherry Hill Farm, Flackville, Ind.

Mr. White is the well known breeder and exhibitor. He wrote the above letter in December, after his test had shown a gain of 21 eggs a day from 34 hens. We will make you the same offer we made him. Here it is:

Give your hens Don Sung and watch results for one month. If you don't find that it pays for itself and pays you a good profit besides, simply tell us and your money will be promptly refunded.

Don Sung (Chinese for egg-laying) works directly on the egg-laying organs, and is also a splendid tonic. It is easily given in the feed, improves the hen's health, makes her stronger and more active in any weather, and starts her laying.

Try Don Sung for 30 days and if it doesn't get you the eggs, no matter how cold or wet the weather, your money will be refunded by return mail. Get Don Sung from your druggist or poultry remedy dealer or send 50 cents for a package by mail prepaid. Burrell-Dugger Co., 264 Columbia Bldg., Indianapolis, Ind.

# Rengo Belt

Almost every stout woman envies the woman with a slender figure. This need not be—for a Rengo Belt Reducing Corset will give to any medium stout or stout woman the lines of the prevailing fashionable figure. This is brought about by reducing the appearance of flesh over the abdomen, back and hips.

Rengo Belt Reducing Corsets keep their shape. They do not stretch. This is good news to the medium stout or stout woman who is "hard" on corsets and who frequently has to discard half-worn corsets because they have lost their shape.

OHIO FEDERATION OF  
WOMEN'S CLUB

That the election of Mrs. William A. Sharp, of Columbus, as president of the Ohio Federation of Women's Clubs meets with universal satisfaction among club women throughout the entire state goes without saying. She was the unanimous choice of the state convention which marked the silver anniversary of the federation in Ohio, the sessions being held in Cleveland, October 13, 14, 15 and 16.

Mrs. Sharp was not a private suddenly raised to the position of general—she had been a member of the official staff of Mrs. Prentice E. Root, of Toledo, the state president. Her election to the highest office in the federation came as no surprise to those who know of her capable administration as vice president of the Central district. She is a woman of fact. She brings to the presidency of the Ohio federation a personality that is strong yet gentle—a personality that will mean much to the federation.

## It's Big Success

The state convention was an unqualified success in every way due mainly to the untiring energy and far-sightedness of Cleveland federated club women than whom none more hospitable can be found in Ohio. This was made manifest at the informal formal opening of the convention Monday night when Mrs. L. Bishop president of the Cleveland federation, graciously welcomed the delegates and visitors and Mrs. C. S. Selover, of Cleveland, vice president at large, responded in behalf of the state federation. Mrs. James Neil Fleming, chairman for the program committee and general chairman of the silver anniversary meeting received congratulations on every hand for the wealth of material which the program carried. At the head of the fifty girl ushers and pages contributing a large share in making the convention a big success that it was, Mrs. Kenneth R. Taylor, second vice president of the Cleveland federation, was always found directing that important phase of the convention so excellently as to draw complimentary notices from officials and delegates alike. Hers was a hard task, but she performed it well.

One of the convention events which will long remain a pleasant memory

was the past presidents' banquet at the Hollendon Thursday evening celebrating the silver anniversary of the federation. Mrs. Samuel B. Sneath, of Tiffin president of the federation from 1902 to 1904, made a charming toastmistress.

Toasts were responded to as follows: Mrs. Charles H. Kumbler, of Dayton, "Our Beginnings." She related incidents that she said the late Mrs. George Lincoln of London, the first president, would have related and also read a letter from Mrs. James A. Robert, of Dayton, who succeeded Mrs. Lincoln in 1896 and served two years.

Mrs. James R. Hopley, of Bucyrus, "Educational Endeavors." She interestingly told of accomplishments during the years 1898 to 1902. She was president in 1900-1902.

Miss Joan Minor Kennedy and Mrs. William Harley Porter, of Toledo, "Our Counselors and Committees." Miss Kennedy paid a touching tribute to the memory of the late Mrs. William P. Orr, of Piqua, who was president in 1898-1900.

Mrs. William Murdock, vice-presi-

dent in 1904-7, "Practical Philanthropies." She spoke most beautifully of the late Mrs. Edward L. Buchwalter, of Springfield, president in 1904-7, who was noted for her works of charity.

Miss Annie Laws, of Cincinnati, president in 1907-9, "Timely Turnings."

Mrs. Addison F. Broomhall, of Troy, president in 1909-11, "Conventions."

Mrs. Broomhall has never missed a state meeting of the Ohio Federation of Women's Clubs. She is who prepared the history of the Ohio federation carried in this column last week.

Mrs. Howard Hocking, of Oberlin, president in 1911-13, "Essential Expansion."

Mrs. Walter E. Schutt, of Cleveland, "The Endowment." She covered the period from 1913 to 1915 when Miss Anna B. Johnson, of Springfield, was president. Miss Johnson was unable to attend on account of illness.

Mrs. George Zimmerman, of Fremont, president in 1915-17, "Fruitful."

Mrs. Prentice E. Root, of Toledo, president from 1917 to 1919, "Our Patriotic Policies."

TEST NERV-WORTH  
WITHOUT TAKING  
ONE-CENT OF RISK

THAT'S WHAT J. C. HIZER DID  
WHEN HE BOUGHT THE  
FIRST BOTTLE

That's what the reader can do. Every Nerv-Worth ad says "Your dollar back if this famous family tonic does not benefit you." Mr. Hizer said: "Before I purchased a bottle of Nerv-Worth from you I was in a bad nervous condition. Could not digest or assimilate my food and was becoming weak and very much run down. After eating my heart would flutter and I would not eat anything else. Gas formed in my stomach and I would bloat badly and my stomach was sore and painful. Many nights I could not sleep but lay awake all night. Had severe headaches and rheumatic pains in legs and arms. Now after using three bottles of Nerv-Worth I am rid of all the ailments mentioned and am regaining my strength and vigor. The doctors failed to help me in the least. I am thankful that I tried Nerv-Worth as it brought relief right from the start."

## TRAIN, TROLLEY CAR COLLIDE

Five persons narrowly escaped serious injury about 8 o'clock Saturday night, when a west bound Chester street car was struck by a Panhandle freight train at the Ninth street crossing in Chester. The street car was hurled about 15 feet.

The car, in charge of Motorman E. Wagner and Conductor Frank Marshall, was en route to East Liverpool about 8 o'clock and while passing over the railroad tracks in Ninth street the trolley flew off, causing the car to stop and leaving it in total darkness.

Conductor Marshall left the car to replace the trolley on the wire and hearing the approach of the freight train feared an accident. He notified the three passengers on the car, Mr. and Mrs. Charles Pittenger and Robert Martin, to leave the car.

The conductor then made an effort to stop the train, but because of the fact that the engine was running backwards, he could not attract the attention of the engineer. The freight train struck the car directly in the center.

The car, one of the large steel models, was damaged beyond repair by the impact, while the engine was not damaged to any great extent. The street car was removed to the East Liverpool car barns of the Steubenville, East Liverpool & Beaver Valley Traction company after all traffic had ceased, by early Sunday morning.

## APPOINT DELEGATES TO K. OF P. CONVENTION

The Chester Knights of Pythias lodge will be represented at a convention to be held in Wheeling on Thursday of this week, when the national heads of the order, including Hon. Charles S. Davis of Denver, Col., supreme commander, will be guests.

James L. Helzer, grand chancellor of West Virginia, will accompany the supreme chancellor on his tour through the state. The honored guest will be in West Virginia only three days, and October 30 is the date given to the Pythians in the first district. Time is so limited that it will be impossible to get in touch with the Pythian membership of the first district officially. Mr. Thomas said that whether or not official word in regard to this meeting is received by all Pythians, they are invited and expected to be present. The meeting is open to all Pythians in good standing.

## OLD BUILDINGS AT PARK RAZED

Several of the unused buildings at Rock Springs Park are being razed this fall. C. A. Smith, owner of the resort, announced Monday morning. The dancing pavilion, which was only constructed a few years ago, the scenic railway, the merry-go-round and the bathing pavilion will probably be the only building to be left standing.

Practically all of the buildings, located along the main pathway of the park, such as the restaurant, the house of nonsense, souvenir stand, shooting gallery, eating pavilion and other smaller structures are being removed by the park officials. These buildings, because of the lack of repair have become an eyesore to the park and it was deemed advisable to remove them at once.

The park since the railroad company stopped excursions several years ago, has only been operated part time. Last year the scenic railway was rebuilt at an expense of several thousand dollars. It now is in good condition and will last for a number of years. The dancing pavilion is comparatively new, having been built to take the place of the one destroyed by fire several years ago. The merry-go-round is in a fairly good condition and it is to be left standing. The bathing pool is well patronized during the summer months and the pavilion standing at one end of the pond has been repaired. It, too is to remain.

"If ever conditions warrant it, concessions which have been removed will again be replaced," C. A. Smith, owner of the park, stated Monday morning. "However, as long as the railroad company continues to ban excursions, there is no use of adding new attractions. Only those building which are not used or are beyond repair are being removed."

## ALLEN MINTER IS PRISONER

After successfully eluding the police for three weeks, Allen H. Minter, aged 25, one of the quartet who broke jail at New Cumberland, is under arrest in Steubenville on charges of burglary.

Minter, who gave the name of Arthur Audette of Indianapolis, Ind., when arrested last Friday, confessed to having broken out of the jail at New Cumberland about three weeks ago, liberating three other prisoners, Albert Snyder and two colored women, at the same time.

The prisoner is now in the Jefferson county jail. He has confessed to having broken jail at Steubenville on three occasions and is facing more than a half dozen indictments in the Jefferson county courts.

When questioned by the police when he was arraigned for a preliminary hearing Saturday, Minter confessed to having looted the homes of Charles McGowan and John Reiwanger, carrying away several hundred dollars worth of jewelry and other valuables. In his confession he implicated Mrs. Mabel Darby, aged 21, of Wheeling, to whom he said he had given a lot of the valuables. The girl is being held as a witness.

Jefferson county authorities will refuse to turn Minter over to the Hancock county officials, claiming that the charges against him in either Steubenville or Wellsville are more serious than that against him in this county. Sheriff Cooper has offered a reward of \$100 for the arrest of the man, but if the Jefferson county authorities refuse to return him to New Cumberland, the reward will not be paid. He was wanted in this county for burglarizing the Chester Hardware.

Speaking of the New Cumberland incident, Minter said he had been treated fine by the sheriff there and his deputies after having been "jugged" for robbing a hardware store and several houses in Chester.

Asked if he received any outside help he said no. He then explained how he had removed a large quantity of lead from the toilet fixings and made this into a small key and a hook.

"The leaden key easily turned the locks, and me and another fellow and the two colored girls walked out and were free," Minter said. When told that Sheriff Cooper and other Hancock county officials believed he received aid from the outside Minter said: "Just tell the sheriff there to look at the toilet and see if some of the lead isn't missing. It was easy work; anybody could have done it."

## BLISS NATIVE HERB TABLETS

Have you noticed the rugged, healthy complexion of our soldiers and sailors—their elastic step, and strong, manly bearing. This condition is due to outdoor life, plenty of exercise, regular habits and wholesome food.

Your responsibilities may not permit you to work, live and play outdoors. You may have to grind away at a machine, a desk, or other employment, until your condition becomes stale. Indigestion, constipation, headaches and general debility follow. Your liver and kidneys fail to act properly, and your blood becomes poor and sluggish. Don't be a health-skeptic. Take Bliss Native Herb Tablets. They will relieve constipation, remove indigestion, help to prevent rheumatism and make you fit. Look for trade mark. Our money back guarantee on every box. Two sizes, 50c and \$1.00. Sold by leading druggists and local agents everywhere. Made by Alonzo O. Bliss Co., Washington, D. C.

## Simple Home Remedy Advised For Rose And Hay Fever

Anyone Can Make a Pint For Trifling Sum and Used In Time May Prevent Annual Attack

"No matter how severe your yearly attack be, no matter how distressing or humiliating—its intensity can be reduced to a harmless, mildness."

says a Kentucky druggist who believes from what he has seen that this simple home made remedy is a most important discovery.

He has seen the most severe and apparently unmanageable cases reduced to what might be called a mild cold in twenty-four hours.

In many cases where the patient started treatment a week or ten days before the expected attack the unwelcome yearly visitor failed to appear with anything like its usual intensity.

People who want to try this new treatment can make a pint in a few minutes.

Pour one ounce of Mentholized Arcline into a pint bottle then fill the bottle with water that has been boiled. Gargle daily as directed and sniff or spray the nostrils twice daily.

That's all there is to the treatment which so many sufferers have found to be a true friend.

Mentholized Arcline in one ounce vials is dispensed by all the better pharmacies.

## FASCINATING TEETH

How Every Woman Can Quickly Charm Her Friends With Lovely Teeth, Clean, White and Brilliant

If you want the cleanest of white teeth and healthy gums free from disease, an easy and quick way to get both is to use a tooth paste so effective and perfect that astonishing results usually come in a week's time.

And the cost is so little. Just go to any drug or department store, and get a large tube of SENRECO TOOTH PASTE for 35 cents.

Not only will it make your teeth clean and white, but it will at once remove any filmy coating, help to check the ravages of Pyorrhea and banish acidity in the mouth.

It is used by thousands of dentists and its sale has been remarkable. When you visit your dentist, which you should do at least twice a year, ask him about SENRECO. It's a most delightful and refreshing tooth paste.

## Catarrh Is a Real Enemy and Requires Vigorous Treatment

When you use medicated sprays, atomizers and douches for your Catarrh, you may succeed in stopping the choked-up air passages for the time being, but this annoying condition returns, and you have to do the same thing over and over again.

Throw these makeshift remedies to the winds, and get on the right treatment. Get a bottle of S. S. S. today, and commence a treatment that has been praised by sufferers for nearly half a century. S. S. S. gets right at the source of Catarrh and gives satisfactory results. For special medical advice free regarding your own case, address Medical Director, 51 Swift Laboratory, Atlanta, Ga.

## Happy Mothers

Many mothers who in order to keep the home neat and attractive, the children well fed and dressed, continually overdo.

The experience of motherhood alone causes a severe strain upon the system, from which many women recover slowly, and serious feminine disorders may develop unless great care is taken to prevent them.

To such women Lydia E. Pinkham's Vegetable Compound is invaluable. For many years this root and herb medicine has been recognized as the standard

remedy for woman's ills, restoring them to a normal, healthy condition.

## Mrs. Morgan's Case

East Hampton, N. Y. — "For two years I suffered with a female weakness, pains in my back and painful periods, and I was so weak and tired that I was not able to do my work. A friend told me to use Lydia E. Pinkham's Vegetable Compound and it gave me great relief. My pains left me and I am now able to do my work and feel fine. You can publish my testimonial and if your Vegetable Compound does others as much good as it has me I will be very much pleased."—Mrs. CHARLES E. MORGAN, Care of E. L. Dennett.

## A Word to Childless Women

There are women everywhere who long for children in their homes yet are denied this happiness on account of some functional disorder which in many cases would readily yield to Lydia E. Pinkham's Vegetable Compound.

Such women should not give up hope until they have given this wonderful medicine a trial.

## Krew-Pina Best She Ever Used!

Knocks Colds Overnight—Relieves Bronchitis and Tonsillitis. Heals Burns Cuts and Bruises.

A lady from the south writes that Krew-Pina is the best ointment she ever used. This is only one of the dozens of testimonials we have of the good work Krew-Pina is doing.

Krew-Pina is a general household ointment that has proved its merit in the treatment of colds and coughs by the quick action obtained. Very frequently when the ointment is applied upon retiring, the cold is gone in the morning. Splendid too for bronchitis and tonsillitis. Effective in the treatment of all internal and external inflammation. Corns, bunions and tired aching feet are soothed and comforted by Krew-Pina. It also is good for lams back and sore joints. Heals insect bites and relieves sunburn and windburn. Headache and neuralgia quickly disappear under treatment with Krew-Pina and it is particularly good for treating the hurts and ailments of little children for it does not blister the skin. Little ones obtain quick relief from dangerous croup and whooping cough by an application or two of Krew-Pina. Contains no injurious or harmful drugs.

JESSE ULLOM, NO. 211 HAILMAN ST., TELLS HOW PLANT JUICE CURED HIS WIFE

That Plant Juice is repeating its success, is proven every day by the large number of local testimonials received from people in signed statements as to the benefits they have received from the use of this great remedy, like Mr. Jesse Ullom who lives at 211 Hailman St., Pittsburg, and who is a chauffeur by occupation. He said:

"For three or four years my wife's health has been very poor. Her stomach was in a very weak condition so that she could scarcely keep any food in it. She had headaches, could not sleep at night and was very nervous and all run-down. She seemed to be growing worse and never improved until I got a bottle of Plant Juice for her, as it had been recommended to me very highly. From the first dose I noticed an improvement, and now since she has continued to take it for several weeks she feels like a new woman. She can eat all kinds of food now and is always hungry for her meals. It has cured her nervousness and she is able to sleep the night through and feels rested when she gets up in the morning. Plant Juice is a fine medicine and we are glad to recommend it."

Plant Juice cleanses, strengthens and revitalizes the whole system. It clears the blood of poisons and impurities, puts the lazy liver to work, regulates the bowels, strengthens the kidneys and tones up the digestive organs. It sharpens the appetite and promotes sound, restful sleep.

Plant Juice is sold in East Liverpool at Larkins Drug Store.

## LIMA BRICKMASON HAS NOW OVERCOME ALL HIS TROUBLES

Declares since he took the new root and herb remedy, Drecto, that his backache, constipation, and liver trouble have disappeared—overcame catarrh.

"It is great to feel well once more and be free of pains and aches," said Mr. Philip Archinal, the highly respected brickmason of 412 W. Haller St., Lima, O.

"I am 63 years old, but feel young and supple. This Drecto medicine has knocked all that backache out of me. Bricklaying is a supreme test on a man's back, and mine was giving me a lot of trouble. It hurt me to stoop over. My kidneys were out of condition, and I frequently had headaches, dyspepsia, and gastritis also bothered me. My liver was lazy, and I got very bilious. I had catarrh of the head very bad. I'd be all filled up every morning with mucus, and it would take several hours before I'd get it cleared up."

"I've always believed in the old-style root and herb remedies, so when I learned that Drecto was made from the juices of twelve different herbs I bought a bottle. It sure got to work on me quick; my bowels began to act free and easy; my liver took on new life and threw off the excess bile; my tongue cleared up, and the bad taste in my mouth ceased. In the morning now I get up with my head almost clear, showing that the catarrh is much better. By the time I take a couple more bottles I'll be as well as I ever was in my life."

Drecto acts from the bottom up, and the results are usually lasting, for it removes the causes instead of just patching up the symptoms. It thoroughly cleanses the system of its impurities, increases the appetite, restores shattered nerves, relieves gas on the stomach, drives out rheumatism and banishes catarrh.

All good druggists now sell Drecto, and it is highly recommended in this city by

the High school auditorium as the principal number on this season's High School lecture course.

In a letter received Saturday by Supt. of Schools F. P. Geiger from the Redpath Lyceum bureau, Mr. Fletcher's services are pledged in any manner desired during his brief stay here.

Supt. E. P. Geiger has already arranged to have Mr. Fletcher deliver one of his famous "ginger talks" before the student body of the high school.

If the date of Mr. Fletcher's coming

to be arranged later, is suitable, the lecturer will address one of the weekly noonday luncheons of the chamber of Commerce at the Y. M. C. A.

Mr. Fletcher has a repertoire of five lectures from which Supt. Geiger is to select one to be delivered here. They

are: "Tragedies of the Unprepared," "The Martyrdom of Fools," "Community Deadheads," "The Modern Judas" and "Who is Your Hero."

## TEACHERS MEET IN CHESTER IN JANUARY

The next meeting of the Hancock County Teachers' association will be held at Chester during the latter part of January or early in February. This

was the announcement Saturday of Superintendent of Schools A. D. Osborne, who is president of the county organization. The fall institute meeting here Friday is regarded as one of the best gatherings of school teachers ever held in this county. It has been planned to hold three meetings during the present school term, the spring gathering to be held in either Weirton or New Cumberland. This matter has been left in the hands of the executive committee.

## NEW ERA MOVEMENT INSTITUTE MONDAY

An institute of the New Era Movement which has been launched in all the Presbyterian churches throughout the United States will be held in the First Presbyterian church of Newell Monday evening. The institute will be for the Presbyterian churches of Newell, Chester, New Cumberland and Fairview and each church will send a large delegation to the opening meeting of the campaign in this end of the county.

Dr. Charles S. Butler will discuss the subject, "Goals, Objectives and Methods," while Rev. A. M. Boys, D. D., associate field director, and Rev. Louis D. Black, synodical Sunday school representative, will also make addresses.

## MAY OPEN CLAY FORMING PLANT

The two-kill plant of the Novelty Clay Forming company, located in Newell, which has been idle for more than two years, may be placed in operation in the near future, according to information given out Saturday. Several interested parties have been looking the plant over recently and it is probable that a deal will be completed within the next week or so by which operations of some kind will again be started at the plant. The plant is not adapted to the making of general ware because of

the size of the kilns. At the present time it is the only idle plant in the East Liverpool district. The plant was last occupied by the Novelty Clay Forming company in which a number of Newell men were interested. Because of growing business the company was forced to seek larger quarters about two years ago and took over the old works of the Ohio China company East Palestine.

## COUNTY DELEGATES HONORED BY SYNOD

Several Hancock county people were highly honored in the closing sessions of the West Virginia synod which met last week at Wheeling. Mrs. W. E. Allen, wife of the pastor of the First Presbyterian church, was elected vice president of the

Foreign Synodical society and was also named to the same office in the Women's Synodical society. Miss Marie Carothers of Holliday's Cove was also re-elected as a vice president of the same organization. Mrs. S. A. Stewart of Chester, who represented the Women's Missionary society of the First Presbyterian church of that place, was named chairman of the commission of missionary education of young people. Miss Cornelia Anderson represented the Women's Aid and Missionary society of the First Presbyterian church of Newell at the convention.

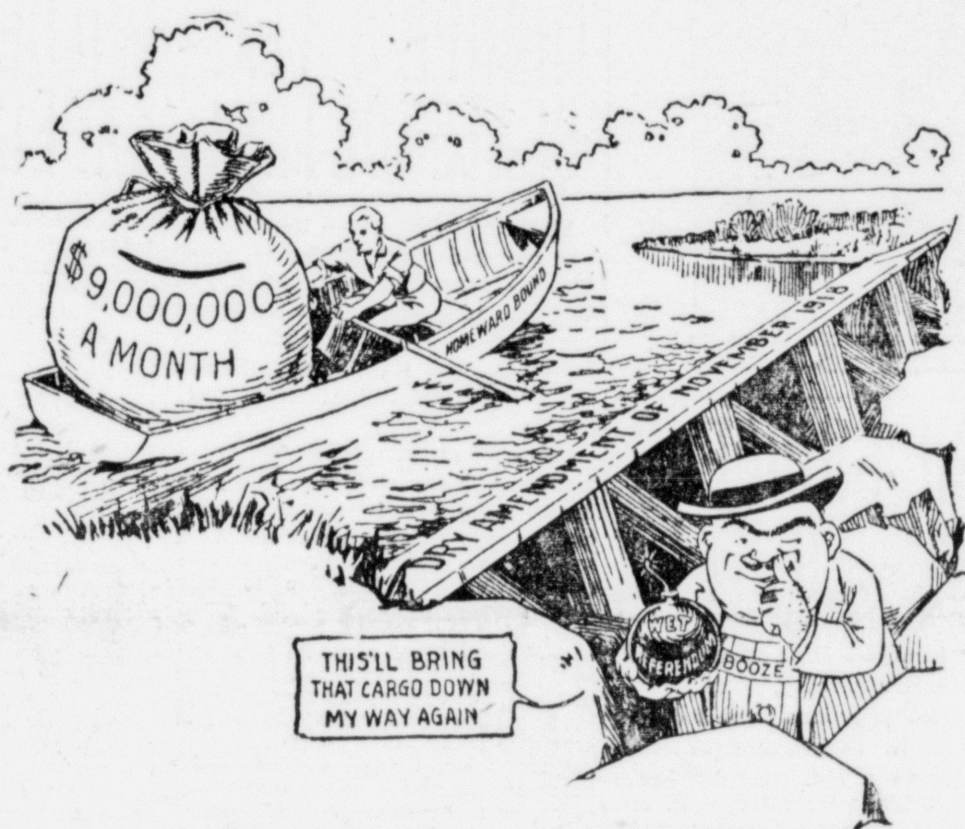

## MAY SEND MONEY TO FOREIGN COUNTRIES

Miss Florence Moss, secretary of the Hancock county chapter of the

American Red Cross, has received word from headquarters of the Potomac division of the organization to the effect that money may now be sent to a number of foreign countries. For several years, because of the war, it has been impossible to send money to Poland, Lithuania, Rumania, Palestine, Czechoslovakia and Galicia. According to the word received here, money may now be forwarded to these countries, provided it is sent through the joint distribution committee, 20 Exchange Place, New York city. Many Hancock county foreigners having relatives in these countries have made inquiries recently as to the rules covering the sending of money across the water to their kinsmen. # WHO WANTS THE SALOONS BACK?

If Ohio adopts either of the proposed Constitutional Amendments initiated by the brewers, the State Constitution will declare 2.75 per cent beer is not intoxicating. ## \$9,000,000 a Month!

It's this tremendous sum—\$9,000,000 a month—that the people of Ohio are making, saving, and spending themselves, as a result of Prohibition—that the Booze Barons are after.

They will resort to ANYTHING to have that \$9,000,000 a month pass through their hands again. They can't have it unless Booze is again made King of Ohio.

Shall Booze be King of Ohio?

### How to Vote Dry

There are TWO separate ballots on the wet and dry question with TWO propositions on each ballot.

On the short ballot, vote "no" on Article XV, Section 9-1.

Vote "no" also on Article XV, Section 9.

On the long ballot, vote "yes" on Senate Joint Resolution No. 4, (ratifying National Prohibition).

Vote "yes" also on Crabbe Act, House Bill No. 24, (Providing for law enforcement).

Apply to above organization, or send to Ohio Dry Federation, 178 1/2 S. High St., Columbus, for sample ballots.

2.75 per cent by weight equals 3.45 per cent by volume. If a man drinks two glasses of the old brew, he gets eight teaspoonsful of alcohol. If he drinks three glasses of the 2.75 per cent beer he gets nine teaspoonsful.

## VETS LOSE AT MARTINS FERRY---GRANDS ARE VICTORS

### COLEMAN'S CLUB IS BEATEN, 6-0, IN SEA OF MUD

Single Touchdown, In First Play In Second Quarter, Wins for Home Club--Fowler's Leg Broken and Graham's Nose Badly Battered--Eddie Carriher Taken from Game for First Time with Bad Blow In the Ribs--Passes Fail.

With a ragged, patched-up lineup, put together at a moment's notice, and riddled by last week's casualties, the Veterans of Foreign Wars Sunday afternoon proved their true worth by holding the renowned Capital Inns of Martins Ferry to six points.

The game was played on a clay field, made slippery like a half acre of yellow butter. Frequent fumbles and many injuries resulted. Fowler, Martins Ferry end, was taken out in the last quarter with a broken left ankle. Graham, right half for the Inn, left the field about ten minutes previous to that with a badly splattered nose.

Eddie Carriher, Vets' old reliable at center, had to leave the field before the end of the struggle, for the first time in his career. While playing in interference while the Vets were returning a punt Carriher was struck squarely in the ribs on the left side. It was thought for a while that several ribs were broken, but a Martin's Ferry physician, after examining the abrasion, stated all ribs were still intact.

Injuries of a minor nature, caused by slipping and unexpected falls, delayed the game frequently.

Neither McLaughlin, Smith, Steadman or Kapp played with the Vets. Ted Hanselman called the numbers. Wheatley filled full with Moore and Gray on halves.

This combination, in spite of the fact that only two regulars were back of the ball, proved very effective at times. Hicks Rutledge was given a chance in the backline in the last quarter when Gray went out of the game with a battered up leg. He demonstrated his versatility by making gains time after time through the Martin's Ferry line.

Martin's Ferry scored their solitary touchdown on the first play in the second quarter. The play was a hangover from the initial period when the ball was carried to within one yard of the Vets' goal line on a fake forward pass.

The home club kicked off to the Vets, who were unable to carry it very far down the field. They lost on downs. Ferry then took the ball a short distance and was forced to give up when held by the Vet forwards. Vickers kicked and sent the pigskin far into the Vets' territory. Unable to work the ball forward, losing several passes on fumbles, the Vets were stopped again and punted. Ferry advanced the pigskin to about the 20-yard line, where they attempted a forward pass which came very near to being perfect. He chased down the side line, was forced out of

bounds, came back in the rear of the goal line and plucked the ball out of the atmosphere. He was then called back and the ball put in play again. Sutterdale, Ferry fullback, faked a forward pass which proved the undoing of the Vets. He held the ball slightly over his shoulder as though about to throw. It was an old play but worked nevertheless. Fullback Vickers, running back of Sutterdale, grabbed the ball and hotfooted it around left end. He eluded two tacklers and was brought to mother earth on the Vets' one-yard line. The quarter ended here.

It required one minute to put the ball across in the succeeding quarter. A tandem play on the right side of the line, with Fullback Vickers carrying the ball, placed it squarely on the goal line, thereby counting a score. He failed to kick goal.

The second and third quarters were even. The ball fluctuated from the Vets to the Ferry and back again to the Vets with neither side making any spectacular gains. Frequent fumbling on both sides delayed play and prevented ground gaining. Neither squad had an edge on the other in this respect. The backs on both sides dropped the oval repeatedly.

In the fourth period, Hunselman, tired and covered with a nice thick coating of mud, was relieved by Shaw. Shaw started off a new series of play which threatened to score for the Vets, but the period ended before the visitors could force the ball across the final chalk mark.

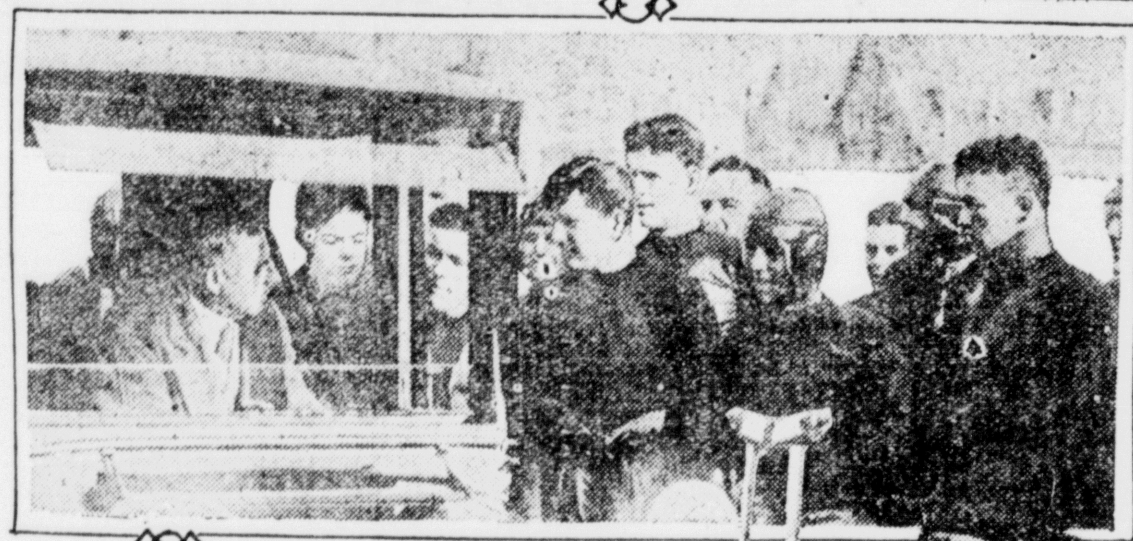

Only four forward passes were tried, two of which were ruled out, the Vets making good one and the Ferry the other.

It is probable that the Martin's Ferry may be brought to this city in November.

COACH STAGG, CRIPPLED, DIRECTS GRID TEAM FROM AUTO

Coach Stagg directing team's practice from electric coupe, above, and Orville "Pat" Page, his assistant, directing a squad from the bench.

Coach Alenzo Stagg has introduced a novelty into football coaching--or perhaps we ought to say his friends have. When the grid season opened Stagg was so crippled with neuritis that he was unable even to hobble back and forth on the field. A few grads chipped in and purchased Stagg an electric coupe. Had it painted maroon 'n everything. Now the veteran instructor dashes up and down the field in the coupe, calling out his orders from one of the windows. Chicago's coaching staff seems to be crippled all around. Orville "Pat" Page, former Chicago star and now Stagg's assistant, injured his leg early in the fall practice and has to hobble about on crutches.

### AKRON INDIANS GIVEN SETBACK

AKRON, Oct. 27.—The Akron Indians suffered a setback in their drive for the world's professional football title when they were defeated, 9 to 6, by the Massillon Tigers here Sunday in a bitterly contested battle which was not decided until the last two minutes of play. All scores were made by the place kick route, Gougler of Lehigh and Crisp of Akron U. competing for honors.

Most of the game was played in a drizzle which caused many fumbles and provided openings which both Massillon and Akron took advantage of. Three of the place kicks were made possible by the juggling, Akron taking two tallies as a result and Massillon one. In spite of the absence of Crawford of Miami, who was injured in practice yesterday, Akron kept the Tigers on the defensive the greater part of the game, keeping the ball almost constantly in Massillon's territory.

### SALEM IS DEFEATED

MARTIN'S FERRY, Oct. 27.—Salem high school was defeated here Saturday afternoon, 27 to 0. The Perrians were far superior to the visitors from Columbiana county who were unable to get within striking distance of the home club's goal line.

Newcomerstown—An effort is being made to locate relatives of George W. Harvey, member of Company D, 329th Infantry, who died in France September 23, 1918. John M. McElhane, sergeant in the company, has pictures of Harvey's grave which he wants the latter's relatives to have.

Officials--Referee, Durfee of Williams. Umpire--Bechtel of Ohio Wesleyan. Field Judge--Snyder of Harvard. Head linesman--Cortelus of Mount Union. Time of periods--15 minutes.

### HIGH GRIDDERS DOWNED, 14-0

East Liverpool High was defeated at Rochester Saturday, 14 to 0.

The Pennsylvanians were too fast for the locals. Eight out of the eleven according to a statement by Coach John Coleman, were veterans of two years, this making their third year. Their team work was excellent and as a result gained a large amount of ground on the Pottery City outfit.

Dayton—According to a police court, if a taxicab driver takes you on a joy ride and has as much pleasure out of the trip as you, he cannot collect full fare. C. A. Long wanted \$25 for hauling George A. Smith about and showing him the sights, but Smith put up the unusual plea in court and won a 50-50 extent.

club's defense. They were thrown back consistently by the Grand forwards, often for losses. A sudden burst of spirit when in the shadow of their own goal posts, gave the visitors a new lease on several different occasions.

The lineup and summary:

### THORPE'S TEAM BEATS DETROIT

DETROIT, Oct. 27.—Detroit football fans today are willing to wager that the Canton Bulldogs will not be able to whip Massillon after seeing the way Jim Thorpe's footballers romped around the Detroit Herald's for a 27 to 0 victory at Navin field Sunday.

The contest was far more spectacular than any seen here this year, due to the splendid plunging, running and forward passing attack exhibited by Canton. Corcoran punted consistently, kicking forty-five to fifty yards. Chamberlain was in every play. A good ground gainer and a splendid defensive man, he time and again nailed the recipient of punts in his tracks and repeatedly threw his lengthy frame in front of the ball to break up many other tackles.

Quarterback Griggs, former Oklahoma Aggie player, made many long gains, one a forty-yard sprint for a touchdown after catching a punt. The Canton line was hard to penetrate and opened up big holes for the man with the ball, Guyon traveling through off tackle and through center for good gains time and again.

Cambridge—After November 1, beards and long hair will be the style here. Barbers have voted to increase the cost of hair cut to 50 cents and shaves to 25 cents on that date.

Ohio football fans were confident today that the western conference championship will go to Ohio State. The defeat Saturday in decisive fashion of Michigan convinced most football observers that there will not be much doubt as to the supremacy of the Ohioans this fall. Wisconsin and Chicago still have clean slates in the western conference. They will meet before the season wanes and Ohio will play the Badgers, thus clearing up the triangular status quo of today.

In the Ohio conference, Oberlin, Wooster and Akron are the three eleven that came through Saturday not only undefeated but as victors in all of the contests played so far. Denison and Wittenberg also sport a percentage of 100, but each has a tie game credited to them.

The upset of dope in the state conference was the defeat of Miami--the first in three years. Oberlin turned the trick and on the Oxford's home gridiron. The victory was no surprise to those who were acquainted with the real strength of the Oberlin eleven.

Wooster continued its unbroken string of victories by cleaning up Case in rather ruthless fashion.

Akron did not play Saturday, but on next Saturday will meet Mount Union and this game may determine whether they will remain in the running for the conference championship.

Oberlin and Wooster will not meet this year.

### SPORTING GOSSIP

"Bard," writing in the Potters Herald, the official organ of the National Brotherhood of Operative Potters, suggests closer friendship among the members of the entire organization by the institution of sports, in all its branches. With all the potters east of the Allegheny Mountains on one side, competing with the pottery workers to the west, some interesting contests would be suggested. If the idea can be carried out successfully the officials in charge of the proposition of placing sports in the midst of thousands of pottery men deserve a lot of credit. For attempts have been made in East Liverpool for the past several years to organize even a single baseball team to represent the city to play out the entire season on schedule, but the lack of support given the game here and the unwillingness of citizens to back the proposition has resulted each time in its failure.

"Bard" says: Did it ever occur to you that the N. B. of O. P. is a purely business organization? It is true that the Brotherhood spirit maintains some life and is slowly spreading and may in time assume proportions sufficient to properly balance the organization, but looking things by and large it is a matter of business.

Good clean sport and healthy amusement is really a part of life, and the old adage that "All work no play makes Jack a dull boy" is as true now as it ever was. Sport and pleasure is just as essential to men and women as it is to boys and girls and the man or woman who can retain their love of pastime will ward off old age or at least grow old in a natural and a graceful way.

There are in Kokomo two sanitary potteries and in the summer a ball team is chosen generally from the two shops and they put up an interesting game and it proves to be quite a diversion in a none to joyous grind of existence. In the winter both shops have bowling teams and one or the other generally gets to the top of the industrial league which is composed of teams from the different factories of the city.

What would be the matter of the N. B. of O. P. in an endeavor to promote good wholesome sport within its ranks offering an annual prize for the champion baseball team in the summer and a champion bowling team in the winter. The prize to take the form of either a cup or prize money or both. The contest to take place in Pittsburgh let us say as the most likely center on Labor Day for baseball and around the Christmas holidays for bowling, the opposing sides to be chosen by committees. One representing all pottery workers east of the Alleghenies and the other the west.

Something along the line of the foregoing suggestions I think would tend to promote a closer friendship, and not only that but what is more important, it would be a big step in the direction of better health conservation.

Football players may do well to remember the wonderful achievements of the great Penn team of 1905. This great eleven, ripped to pieces by accidents and faculty rulings, remodeled a team which defeated Harvard. Penn, without the services of several of its best men won all its games and came down to the struggle with Harvard. At half time the score stood 6 to 6. It was on that day that Mike Murphy, Penn coach, made his immortal speech between the halves. "I've only a little while to live, boys," said Mike, who was a sick man at the time, "Win this game for me." And Penn, fired by the words of the great coach, went out and won.

The annual meeting of the directors of the South Atlantic League will be held in Columbia, S. C., on October 27. At this meeting the Columbia club, with which Mahi Myers, of East Liverpool, played the greater part of the season, will be awarded the championship of the 1919 season and an effort made to increase the circuit to eight clubs instead of six. It is understood that applications for franchises will be received from Wilmington and Gastonia in North Carolina and possibly from two South Carolina towns. Efforts are being made to re-organize the North Carolina League and the two organizations may get together in a division of territory agreeable to both.

Covers were laid for forty five guests.

### COL. WEYBRECHT LEAVES ESTATE WORTH \$52,169

Colonel Charles C. Weybrecht, of Alliance, one of the seven poison victims of the ill-fated dinner party at the Lakeside Country club, Canton, left an estate valued at \$52,169, according to an appraisal just completed.

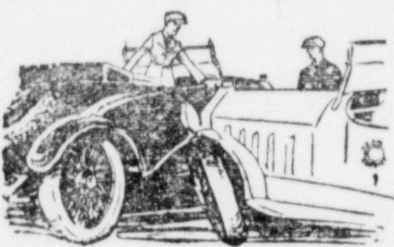

Col. Weybrecht was head of the Weybrecht Lumber company in Alliance. He was honor guest at the function which was given by Mrs. Helen Sebring Gahrns, of Sebring, Tainted olives were blamed for the death of the seven guests and attendants at the function.

ASHBAUGH, the Druggist

YOU MAY BE A CAREFUL DRIVER, BUT HOW ABOUT THE OTHER FELLOW?

No matter how careful—how expert a motorist you may be, you need insurance which fully protects you against unavoidable accident. In a collision the other fellow may be clearly at fault. Again, many wrecks occur in which no blame can fairly be attached to anyone.

Be sure your automobile insurance protects you from possible loss. Otherwise you run the chance of losing all your possessions thru a damage suit.

The insurance company will relieve you of the responsibility for the cost of the small annual premium.

WITH Catherine Calvert, Eugene O'Brien and Ruby de Remer

A Paramount Picture

She'd Have Pulled Her Skirts Away—

Only a few yesterday's away she'd have pulled her silken gown away from "this terrible creature"—

But now she clutched her in the arms of loving sisterhood, with a feeling of real companionship in her heart!

They met on an equal plane for the first time in the lives of each — and each felt no surprise.

In the seething melting pot of war were brought together the Belle of Society and the Belle of the Bowery, sisters in one cause—the cause of humanity under the banner of the army of our soul—the Salvation Army.

It's just one of the many thrills with which "Fires of Faith" abounds but it is perhaps, the thrill which will most surely stir your heart.

If you miss "Fires of Faith" you will later blame yourself for missing one of the very greatest pictures of all time.
